

UTAH SOCIETY OF
HEALTH-SYSTEM PHARMACISTS

July 10, 2020

To whom it may concern:

Utah Society of Health-System Pharmacists (USHP) is pleased to announce we will be hosting our Annual CE Event and Business Meeting virtually this year due to COVID-19. The meeting will be on Saturday September 12, 2020 from 8 AM – 2 PM through web-ex.

We invite you to be a part of this exciting innovative educational event as a virtual exhibitor. This will include access to space in our fall newsletter, a write-up on a landing page on our website for 6 months, a slide in a slide deck during the Annual meeting, and the ability to advertise links to patient assistance programs you may offer.

We expect 80 to 100 people to attend this meeting. We can now have an unlimited number of vendors. We are offering a rate of only \$300 for your first drug sponsorship. Every additional drug will be another \$150.

We appreciate your consideration in the USHP Annual CE and Business Meeting event to show your commitment to continuing pharmacy education activities, which enhance the quality and selection of educational offerings to our members. It is very important that we keep a strong relationship with our exhibitors during these difficult times and hope that our changes will allow us to still have strong exhibitor presence during a virtual meeting. As with all USHP events, we ask that you please follow institution-specific vendor policies when submitting your information to share to with our members.

USHP does not support any commercial activity. Our tax ID number is: 94-2684769. Registration should be open in August 2020. Please sign up and pay on our website at www.USHP.org.
